

Stouts Hill School pupils list

This list has been compiled mainly from the lists of new boys and boys who have left in the Stouts Hill Magazine 1953–77. The lists in the Magazine contain some errors and omissions, and in the 1976 Magazine there is no list of boys who have left. I have started adding more names and dates from the old boys' news at the end of the Magazine; so far, I've done those from 1954, 1957, 1958, and 1965. The 1953, 1955, 1956 and 1959 Magazines have no old boys' news. The old boys' news in the 1954 Magazine gives only one date per boy (or none) and quite often disagrees about names and dates with later Magazines, so I use it only if I have no other source.

Note: In the old boys' news, only starting and finishing years are given, and there's a tendency to use academic years, so 1950/3 (autumn term 1950) may appear as 1950 but more often appears as 1951.

Key to notations:

- * from Jeremy Lee-Browne's list
- ? estimated with some evidence, but I'm not sure
- ?? guessed with little or no evidence
